

NovaSOL®  
**IMMUNE M<sup>2</sup> SHOT**

NovaSOL® **IMMUNE M<sup>2</sup> SHOT** – microbiome & mitochondria support

- Synergistic support of immune function
- HN019™: Increase of beneficial bifidobacteria in microbiota<sup>1,2,3,4</sup>
- Coenzyme Q10: Antioxidant protection<sup>6</sup> and prevention of cardiovascular fibrosis<sup>7</sup> and mitochondrial dysfunction
- Regulates colonic transit time<sup>8</sup>
- 3phase shots for optimal active ingredient shelf life and absorption

**Premium liquid Shot**

- Micellized Coenzyme Q10 and bifidobacterium lactis HN019™ combined in an innovative liquid blend
- Ready to use for private label
- One 10ml shot per day / 10 shots per box
- Innovative incap infusion system
- One shot contains:
  - 50 mg micellized Coenzyme Q10
  - 5 mld B. Lactis HN019™

**Coenzyme Q10** - empowered by NovaSOL®

- Biomimetic – nature’s “micelle structure”
- Fast absorption & clinically proven bioavailability<sup>9</sup>
- GRAS status - Generally Recognized As Safe
- Patent protected

**Premium quality**

- Pharma GMP, ISO 9001:2015, FSSC 22000 manufactured
- NovaSOL® and HN019™ cobrand options
- Ingredient efficacy clinically proven
- Halal and Kosher available on request

in collaboration with

**LABOMAR**
